

Rules for the Use of Inflatable Play Equipment

1. Before using the inflatable equipment (the **“Equipment”**), you must read these Rules.
2. Users of the Equipment must follow the instructions of the staff.
3. The Equipment may only be used by persons in good health.
4. Everyone uses the Equipment entirely at their own risk and on their own responsibility.
5. The Equipment is open to children aged 3 and over, up to a maximum height of 150 cm. A child under the age of 3 may use the Equipment only under the responsibility of an adult or an adult guardian.
6. Minors (hereinafter also referred to as the **“Child”** or **“Children”**) may use the Equipment only with the consent and under the supervision of a parent or adult guardian.
7. Parents or guardians bear full responsibility for children using the Equipment.
8. Children in and around the Equipment area must remain under the constant supervision of a parent or legal guardian.
9. If you feel unwell, stop playing immediately and inform the staff.
10. If you notice anything wrong with the operation of the Equipment, inform the staff immediately.
11. The Equipment may only be used in clothing without sharp elements (zips, studs, hair clips, etc.). The staff may ask you to remove such items of clothing or refuse access to the Equipment.
12. For safety reasons, users of the Equipment should remove earrings, glasses, pendants and necklaces. Rings, watches, mobile phones, music players, money

and other valuable or sharp objects must be left outside the Equipment area.
Empty your pockets of anything that could fall out during play.

13. Users of the Equipment must take off their shoes and wear socks.
14. To avoid friction burns and grazes, the Equipment should be used in clothing that covers the shoulders and in shorts that reach the knees.
15. Using the Equipment without suitable clothing may result in grazes.
16. The Equipment may only be entered through the designated entrance. Climbing on the side walls is not allowed.
17. While using the Equipment, pushing other users or knocking them over is prohibited.
18. To use the slide, climb carefully up the side steps, then sit at the top edge of the slide, push off and slide down only on your bottom or back, facing the direction of travel. Jumping down from the slide platform is prohibited.
19. Eating, drinking and chewing gum on the Equipment are prohibited.
20. For safety reasons, the Equipment attendant may divide children into groups and admit them to the obstacle course for a set period of time, and may thereby limit the number of people using the Equipment.
21. In the event of an Equipment malfunction, strong wind or heavy rainfall, the staff are obliged to immediately prohibit use of the Equipment and stop any use in progress, with no entitlement to a refund of any costs incurred by users of the Equipment. Failure to comply with such an instruction may result in serious injury, for which the staff accept no responsibility.
22. Staying near the blowers that inflate the Equipment is prohibited.
23. Users – or, in the case of minors, their guardians – are liable for any damage caused intentionally or through failure to comply with these Rules or the instructions of the staff.
